

Every Day Counts!

Attendance is important to us as we cannot teach your child if they are not in school. Of the 365 days in each year 190 are school days (52%) which leaves 175 (42%) non-school days to spend with family, have visits, take holidays and attend appointments.

We monitor and report attendance and award certificates for personal attendance achievements termly. Medals are awarded to those children who have achieved 100% attendance for the whole year.
